## Suggestions for Success in Independent Study

**T**alk to your child about what they are learning. *Listen.*

**A**sk them questions about the topics and the readings. *Check for understanding.*

**P**articipate in their work completion: don't just assume that they are doing everything correctly! *Monitor. Encourage.*

**C**heck that they have each item completed (*refer to the Assignment Sheet*)

**A**ttend to the **quality** of their work:

\* *Read It*      \* *Does it Make Sense?*      *How can it be made better?*

**P**raise them for learning and doing their best!
